125TH

anniversary
Shalom Baptist Church
1887-2012
Feb 17,18,19, 2012

Greeting from Dr. Rick Stapleton, Senior Pastor

Welcome to the 125th Anniversary Celebration!

We are delighted that you have come to celebrate the work of God through His people at Shalom Baptist Church! We hope that you will enjoy the fellowship as you renew acquaintances and make new friends; that you will worship God for His faithfulness through the years; that you will grow in your desire to reach others with the Good News of salvation; that you will minister to others; and that you will become a more devoted follower of Jesus Christ to the glory of God!

As we trace the history of this wonderful church, we realize that God is always doing something new at Shalom! You will notice in the history of the church that the name has changed and that the church has relocated several times. And through all of these changes, God has brought transformation into the lives of so many precious people! God is always doing something new at Shalom!

So, welcome! Enjoy the memories and the celebration! And **while we are together, let's lift up to God an earnest prayer** that we would be faithful to Him as He guides us into the future! **Charles Swindoll once said, "Pray that God will give a vision for the future bigger than our memory of the past." Our Lord Jesus said in John 15:8 "This is to My Father's glory, that you bear much fruit, showing yourselves to be My disciples."**

So let us praise God for the past and pray to God that He would do a new thing through this church body!

Ephesians 3:20-21

Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, ²¹ to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever!

Amen.

Greetings from Pastor Adam Krumrie, Pastor of Worship & Student Ministries

I too would like to welcome you to the 125th Anniversary Celebration.

This *is* a celebration! Much like a birthday party, when we celebrate the life of a loved one, here we celebrate the life of Shalom Baptist Church, remembering its history and looking forward to the future ministry ahead.

Unlike a birthday though, we're not just celebrating one life, but all the lives who've been a part of making this church what it is today and I also encourage you to think of *your* part in this legacy. Shalom Baptist Church is made up of many people: You and me, those **who've gone before us and those yet to come. What an honor** to be a part of a body of believers that has had such an impact for the glory of God and to have done so for the past 125 **years. Praise God! Thank God! And let's look to the future to** continue to make this church a place that brings God glory, honor and praise.

Colossians 3:16-17

Let the word of Christ dwell in you richly as you teach and admonish one another with all wisdom, and as you sing psalms, hymns and spiritual songs with gratitude in your hearts to God. And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.

The 125th Anniversary Team has been making plans to provide a time for you to reconnect with people from Franklin Street Baptist Church and Shalom Baptist Church. We hope you allow for time to learn, worship, and to celebrate all that God has done and is doing at Shalom Baptist Church.

Over the years people have come and gone from Shalom. You may be one who has been here for 50 years or 1 year, or may be you have moved on to another community or church.

I hope you will be part of this celebration. As you've read in this booklet, there are several events planned for the weekend, but I want to encourage you to make your own plans. Connect with your past Sunday School teachers, your youth group friends, people you served on committees with, attended Bible study with or worshipped with.

You can use Facebook or contact Shalom's office and get contact information to make plans to meet them at Shalom's celebration.

I anticipate a great celebration and your attendance will help make it that.

For the glory of God!

In an effort to limit landfill waste produced from our activities this weekend, we would like your help composting the majority of our waste. Please use the marked composting containers to dispose of your paper (plates, napkins, cups, placemats etc.) and food waste. Your plastic flatware and styrofoam cup (and any other plastic/non-compost-able waste) can go in the landfill trash. Thank you.
